*	Removal of Uncompacted Garden Per m;		R8.50	9.4%	R9.30	R10.60

Notes:

* **All asterisked tariffs are subject to a 33.3% surcharge when carried out on weekends or public holidays specifically at the request of the customer**

1. (a) **A non service fee of R192.00 will be applied (special domestic& garden) when a vehicle is despatched to the site and the customer cancels and vehicle has to return to base.**
(b) A non clearance fee of R192.00 per month will be applied (industrial/commercial)
(c) Full Cost will apply when vehicle is despatched to site and no clearance takes place.
2. **Where a service is to be rendered for which no tariff is fully appropriate (ie where the container size or the waste density differs materially from the standards), the charge will be based on the determined disposal fee plus R192 excl. VAT per 5km zone from the disposal site utilised, or Full Cost (whichever is the greater).**
3. **Where a container is overloaded a surcharge of 18c excl. VAT per kilogram will be applied.**

Please raise any query that you may have - or report any error noted a.s.a.p to Danny Ramlahl. E & O E

- Notes:**
- 1) Rounding down principle to be applied on landfill cash sales to nearest 10c
 - 2) Code 208 (Item No.13) now states that where a removal *and / or disposal* service is not fully covered under any tariff item, then Full Cost shall apply.
 - 3) Code 511 & Code 512 (Item No.24) adds that *any disposal* service that is for a waste type or density which is not clearly under any other category, it shall be charged at >Full Cost=.
